Scouting America™

Boy Scouts of America is Changing its Name to Scouting America

Everyone is welcome to experience the benefits of Scouting

- The new name **should be used immediately and will become official on February 8, 2025**, the organization's 115th birthday.
- The change was made to reflect the organization's ongoing commitment to welcoming every youth in America to experience the benefits of Scouting.
- It's important to note that though the overall organization is now known as Scouting America, the names of the programs offered by the organization — Cub Scouting, Scouts BSA, Venturing, Sea Scouts and Exploring — remain unchanged.
- In some cases, we at Scouting America love our abbreviations. But in this case, *we're encouraging everyone to call the program simply Scouting America*, as we want everyone to start to recognize that name.
- Scouting America will continue to prepare youth for lives of purpose and impact, and to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.
 - "Though our name will be new, our mission remains unchanged: We are committed to teaching young people to be Prepared. For Life," says Roger A. Krone, the organization's president and chief executive officer. "This will be a simple but very important evolution as we seek to ensure that everyone feels welcome in Scouting."

Scouts BSA Combined Troop Pilot

Scouting America has received feedback through member surveys, councils, and other sources that has encouraged a third option be made available to serve youth and their families interested in Scouting. This option would be a “combined troop” option to help serve all youth and families that wish to participate in Scouting guided by the Scout Oath and Law. The National Executive Committee (NEC) has authorized the Scouts BSA Committee to conduct a limited pilot from September 1, 2024, through July 2025. The Scouts BSA Committee will collect participant feedback and make a recommendation based on the data on the program to the NEC in 2025. More information on the pilot and how to participate will be shared in the coming weeks.

Scouting's Barriers to Abuse Update

Effective 9/1/2023

Youth Protection Barriers to Abuse Update – September 2023 (Clarification for Overnights)

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. For example, a Troop 123 leader **CANNOT** camp with Troop 321 *unless they are also a registered adult in Troop 321*.

Registration as a merit badge counselor position does not meet this requirement.

Please see the below excerpts from Aaron on Scouting:

"Q: Our Scouts BSA boy troop and our Scouts BSA girl troop are linked. Which troop do I need to be registered with to go on a joint campout?"

A: First, each troop is a separate unit and therefore each troop/unit must provide its own two-deep leadership, meeting the leadership requirements outlined in Scouting's Barriers to Abuse. Second, as with all adult volunteers, you must be registered for the position(s) in which you are serving. If you will be attending with the girl troop, you must be registered as an adult volunteer in the girl troop. If you will be attending with the boy troop, you must be registered as an adult volunteer in

the boy troop. You can register for both troops (at no extra charge) and can select one troop for your primary registration and add the other troop as a multiple registration."

"Q: What about when Arrow of Light dens camp with Scouts BSA troops? Do the Arrow of Light parents have to register?"

A: The Arrow of Light den must camp according to the specific camping guidance for Cub Scouts. That means that Cub Scout parents or legal guardians are not required to register as leaders if they are attending with their own child or legal ward. However, they must be accompanied by a registered leader any time they are with youth members of any age other than their own child or ward. As always, one-on-one contact between any adult and youth members other than their own child or ward is prohibited. Reminder, if the troop and pack to which the AOL den belongs do not share the same charter partner, the troop and AOL den must receive permission from the council to hold the joint activity (see the [camping section in the Guide to Safe Scouting](#) for more camping details)."

Please share to all your Packs, Troops, units, and fellow volunteers.

Scouting America™

Golden Gate Area Council

REMINDER: Mandated Reporter Training from the State of California has a 2 year expiration date.

The State of California passed AB506, which took effect on January 1, 2022. In 2023, the State updated the policy such that the Mandated Reporter training must be retaken every two years. In addition, the state has a *new higher quality version of the training*. This new training can be accessed from the California Scouting website: <https://mandatedreportertraining.com/volunteers/>.

The GGAC Executive Board has decided to treat this Mandated Reporter training like YPT requiring all adults to have a valid Mandated Reporter certificate for the entire registration period (through December 31, 2024). Therefore, most adults must retake Mandated Reporter training before they are eligible to recharter with their unit. **Note:** the Live Scan background check is currently NOT required every two years (supposedly just once and done).

Mandated Reporter Training is required in addition to the Scouting America Youth Protection Training. Volunteer leaders must complete the 2 hour training (or take it again before the expiration date) and upload their certificate here: <https://californiascouting.org/ggac/>.

Training details can be found at: <https://californiascouting.org>

AB 506: Live Scan background check (complete ASAP if you have not already)

A Live Scan background check (the digital version of inked fingerprinting) is required for all volunteers and staff. Live Scan replaces previous background checks; all volunteers will have to complete this once (if you haven't done so already).

We appreciate your patience and assistance as we join all California Youth Service Organizations in improving youth protection.

Congratulations to our Newest Muir Eagle Scout!

- Jake Anthony Sigurani, T429, 06/17/2024
 - Project Title: Mini Library Project
 - Project Summary: The project created a mobile library cart for the Monument Crisis Center. The Scout built a library stand for his church Morello Hills Christian Church in order to encourage reading for the younger members of the community and provide them with critical literary cells for their success in life. The church serves many poor members of the city of Martinez, who may not have ready access to books. This will serve people who are busy working and cannot find time to schedule a visit to the public library. During construction, the roof took two tries. After constructing a flat arrangement of the cedar shingles, the Scout decided to upgrade to a stylish layer to make the library resemble a miniature house.
